DIVISION OF BIOLOGY

Revise contact hour distribution:

BIOL 150 - Organismal and Ecological Biology
3 Credit Hours
Contact Hour Distribution: 2 hours lecture and one 1-hour biological literacy session (BioLit).

Formerly:

BIOL 150 - Organismal and Ecological Biology
3 Credit Hours
Contact Hour Distribution: 2 hours lecture and one 1-hour discussion.

Revise contact hour distribution:

BIOL 160 – Cellular and Molecular Biology
3 Credit Hours
Contact Hour Distribution: 2 hours lecture and one 1-hour biological literacy session (BioLit).

Formerly:

BIOL 160 – Cellular and Molecular Biology
3 Credit Hours
Contact Hour Distribution: 2 hours lecture and one 1-hour discussion.

Revise Biological Sciences Minor prerequisites:

Complete:
BIOL 150 – Organismal and Ecological Biology or equivalent
BIOL 160 – Cellular and Molecular Biology or equivalent
BIOL 159 – Skills of Biological Investigation or equivalent
Or
BIOL 113 – Introductory Plant Biology I or equivalent
BIOL 114 – Introductory Plant Biology II or equivalent
BIOL 115 – Introductory Plant Biology Laboratory or equivalent
And
CHEM 120 – General Chemistry I or equivalent
CHEM 130 – General Chemistry II or equivalent

Formerly:

Complete:
BIOL 150 – Organismal and Ecological Biology or equivalent
BIOL 160 – Cellular and Molecular Biology or equivalent
BIOL 159 – Skills of Biological Investigation or equivalent
CHEM 120 – General Chemistry I or equivalent
CHEM 130 – General Chemistry II or equivalent
